**SUBJECT : Gratitude for Organizing Webinar on Calf Rearing and Management
BY FARCOV WELFARE SOCIETY**

Dear Mr. Sandeep Chaurasia,

Founder,
Farcow Welfare Society,
Bhopal, Madhya Pradesh

Dear Sir,

I hope this letter finds you in good health and high spirits. I am writing to express my sincere gratitude to you for successfully organizing the webinar training on **Calf Rearing and Management** conducted on **28th December 2025** under the aegis of Farcow Welfare Society.

The webinar was extremely informative, well-structured, and highly relevant for dairy farmers. As rightly emphasized during the session, calf rearing is the foundation and future of any dairy farm. The knowledge shared on scientific calf management, nutrition, health care, and early-life practices will undoubtedly help farmers improve productivity and sustainability in the long run.

Your dedicated efforts toward educating and empowering dairy farmers through such training programs are truly commendable. Initiatives like these play a vital role in strengthening the dairy sector and promoting better farm management practices at the grassroots level.

Once again, I extend my heartfelt thanks to you and your team for organizing such a meaningful and impactful webinar. I look forward to participating in more knowledge-enriching programs in the future.

With warm regards and best wishes

Mr. Vijay k Vishwakarma
